Competitor safety

EQUIPMENT OF THE CREWS

Whenever a car is in motion on any type of Special Stage and until the stop control, the crew must wear homologated crash helmets, all required safety clothing and equipment in compliance with FIA Appendix L Chapter III - Drivers' Equipment as intended by the equipment manufacturer and have their safety belts correctly fastened. Any infringement will be penalised by the Stewards.

EQUIPMENT OF THE CARS

Safety Tracking System (Art. 18.2 of the CNRB Regulations) provided by FRAS must be easily accessible for the driver and co-driver when seated with their harnesses fastened.

”SOS / OK” sign

Each competing car shall carry a red “SOS” sign and on the reverse a green “OK” sign measuring at least 42 cm x 29.7 cm (A3). The sign must be placed in the car and be readily accessible for both crew members. Each competing car must carry a red reflective triangle.

INCIDENT ON A SPECIAL STAGE

In the case of an accident where urgent medical attention is required, the following applies:

- The SOS switch on the emergency console (Tracking System) must be activated as soon as possible;
- When possible the red “SOS” sign should immediately be displayed to the following cars and to any helicopter attempting to assist;
- As soon as possible, the red reflective triangle must be placed in a conspicuous position on the same side of the road as the car at least 50 metres before the car’s position, in order to warn following drivers, even if the car is off the road.

Any crew which has the red “SOS” sign displayed to them, or which sees a car which has suffered an accident, and the OK sign is not shown, shall immediately and without exception stop to render assistance. All following cars shall also stop. The second car at the scene shall proceed to inform the next Radio Point. Subsequent cars shall leave a clear route for emergency vehicles.

In the case of an accident where immediate medical intervention is not required or of a car stopping for any other reason on or beside a Special Stage, whether temporarily or permanently, the following applies:

- The OK switch on the emergency console (Tracking System) must be activated within one minute;

Siguranța participanților

ECHIPAMENTUL ECHIPAJELOR

Oricând un automobil este în mișcare pe orice tip de Probă Specială și până la punctul de control stop, echipajul trebuie să poarte căști de protecție omologate, îmbrăcăminte și echipament de securitate, conform Anexei L FIA Cap. III - Echipamentul Pilotilor, așa cum a fost prevăzut de producătorul echipamentului și să aibă centurile de siguranță fixate corect. Orice abatere va fi sancționată de Comisarii Sportivi.

ECHIPAMENTUL AUTOMOBILELOR

Sistemul de monitorizare (Art. 18.2 din Regulamentul CNRB) furnizat de FRAS trebuie să fie ușor accesibil atât pentru pilot cât și pentru co-pilot atunci când aceștia sunt așezați și fixați cu centurile de siguranță.

Panoul "SOS / OK"

Fiecare automobil de concurs trebuie să poarte un panou "SOS" scris cu roșu și, pe verso, un panou "OK" scris cu verde, de o dimensiune de cel puțin 42 cm x 29,7 cm (A3). Panoul trebuie să fie plasat în automobil și să fie ușor accesibil pentru ambii membri ai echipajului. Fiecare automobil de concurs trebuie să poarte un triunghi reflectorizant roșu.

INCIDENT PE O PROBĂ SPECIALĂ

În cazul unui accident care necesită asistență medicală de urgență, se aplică următoarele:

- Comutatorul SOS de pe consola de urgență (sistem de monitorizare) trebuie activat cât mai curând posibil;
- Dacă este posibil, panoul "SOS" scris cu roșu trebuie afișat imediat către automobilele următoare și către orice elicopter care încearcă să acorde asistență;
- Cât mai curând posibil, triunghiul reflectorizant roșu trebuie amplasat într-un loc vizibil pe aceeași parte a drumului cu automobilul, la cel puțin 50 de metri înainte de poziția automobilului, pentru a avertiza pilotii următori, chiar dacă automobilul este în afara drumului.

Oricărui echipaj căruia i se afișează panoul "SOS" scris cu roșu sau care vede un automobil care a suferit un accident, iar panoul "OK" nu este afișat, trebuie să opreasă imediat și fără excepție pentru a acorda primul ajutor. Toate automobilele care urmează trebuie, de asemenea, să opreasă. Al doilea automobil care ajunge la locul accidentului trebuie să informeze următorul Punct Radio. Automobilele următoare trebuie asigurate un drum liber pentru autospecialele de intervenție.

În cazul unui accident în care nu necesită asistență medicală de urgență sau în cazul în care un automobil se oprește din orice alt motiv pe traseu sau pe marginea traseului Probei Speciale, temporar sau permanent, se aplică următoarele:

- Comutatorul OK de pe consola de urgență (sistem de monitorizare) trebuie activat în termen de un minut;

Competitor safety

- The green “OK” sign must immediately be displayed to the following cars and to any helicopter attempting to assist. If the crew leaves the vehicle, the “OK” sign must be displayed so that it is clearly visible to all following crews;
- The red triangle must be placed in a conspicuous position on the same side of the road as the car by a member of the crew at least 50 metres before the car’s position, in order to warn following drivers, even if the car is off the road.

Should the emergency console (Tracking System) display show the SOS, the OK or Hazard signal, then this signal is the equivalent to the display of the SOS / OK board or the red reflective triangle.

Should it not be possible, for whatever reason, to display the OK / SOS board in any of the above situations, this may be replaced by an evident and clearly understandable sign language shown by the crew outside of the car:

- An arm and thumb up to indicate “OK”;
- Crossed arms above the head to indicate “SOS”.

Any crew which is able but fails to comply with the above rules will be reported by the Clerk of the Course to the Stewards.

Any crew retiring from a rally must report such final retirement to the organisers as soon as possible, save in a case of force majeure. Any crew failing to comply will be subject to a penalty at the Stewards’ discretion.

INCIDENT ON A SPECIAL STAGE INVOLVING A PERSON WHO IS NOT A CREW MEMBER

If a crew is involved in an accident in which a person who is not a crew member sustains physical injury, the car must stop immediately, and the procedure as laid down in Art. 53.3.1 of the CNRB Regulations must be followed.

Siguranța participanților

- Panoul “OK” scris cu verde către automobilele următoare și către orice elicopter care încearcă să acorde asistență. Dacă echipajul părăsește automobilul, panoul “OK” trebuie să rămână afișat astfel încât să fie clar vizibil pentru toate echipajele următoare;
- Triunghiul reflectorizant roșu trebuie amplasat într-un loc vizibil pe aceeași parte a drumului cu automobilul, la cel puțin 50 de metri înainte de poziția automobilului, pentru a avertiza piloții următori, chiar dacă automobilul este în afara drumului.

În cazul în care pe afișajul consolei de urgență (sistemu de monitorizare) se afișează semnalul SOS, OK sau Pericol, acest semnal este echivalent cu afișarea panoului SOS / OK sau a triunghiului roșu reflectorizant.

Dacă nu este posibil, din orice motiv, să se afișeze panoul OK / SOS în oricare din situațiile de mai sus, acesta poate fi înlocuit cu un limbaj gestual evident și clar de înțeles, arătat de echipaj din afara automobilului:

- Un braț și un deget mare ridicat în sus pentru a indica „OK”;
- Brațe încrucișate deasupra capului pentru a indica „SOS”.

Orice echipaj care este capabil să respecte aceste reguli, dar nu le respectă, va fi raportat Comisarilor Sportivi de către Directorului de Concurs.

Orice echipaj care abandonează într-un raliu trebuie să comunice organizatorilor acest fapt cât mai curând posibil, cu excepția cazurilor de forță majoră. Orice echipaj care nu respectă această regulă va fi supus unei sancțiuni la discreția Comisarilor Sportivi.

INCIDENT PE O PROBĂ SPECIALĂ CARE IMPLICĂ O PERSOANĂ CARE NU ESTE MEMBRU AL ECHIPAJULUI

În cazul în care un echipaj este implicat într-un accident în care o persoană care nu este membru al echipajului suferă vătămări corporale, automobilul trebuie să se oprească imediat, iar procedura prevăzută în Art. 53.3.1 din Regulamentul CNRB trebuie urmată.

Competitor safety

USE OF RED FLAGS

Electronic Red Flags

Electronic red flags will be used in all competing cars. When activated from Rally Control, the screen of the Emergency Console (Safety Tracking System) will turn red and show the message “RED FLAG”. Crews must immediately confirm the electronic Red Flag by pressing the button “ACKNOWLEDGE” and proceed as specified in Art. 53.5.3 of the CNRB Regulations.

Red Flags at Radio Points

The Red Flag will be displayed to crews only on the instruction of the Clerk of the Course. The flags may only be displayed at Radio Points marked in the Road Book and by a marshal wearing a distinctive jacket of the colour stipulated in FIA Appendix H, Art. 5.2.7 and on which is marked the Radio Point symbol. Flags will be displayed at all Radio Points preceding the incident. A Red Flag must be available at each stage Radio Point (situated at approximately 2 km intervals). No flag other than the Red Flag may be deployed at any point in a Special Stage.

Meanings of a Red Flag

On passing a displayed Red Flag and / or receiving an electronic Red Flag, whichever happens first, the driver must immediately reduce speed, maintain this reduced speed until the end of the Special Stage, and follow the instructions of any marshals or intervention car drivers. Failure to comply with this rule will entail a penalty at the discretion of the Stewards.

Siguranța participanților

UTILIZAREA STEAGURILOR ROȘII

Steaguri Roșii Electronice

Steagurile electronice roșii vor fi utilizate în toate automobilele participante. Atunci când sunt activate din Comandamentul Raliului, ecranul Consolei de Urgență (Sistemului de Monitorizare) va deveni roșu și va afișa mesajul "STEAG ROȘU". Echipajele trebuie să confirme imediat Steagul Roșu electronic apăsând butonul "CONFIRMARE" și să procedeze conform Art. 53.5.3 din Regulamentul CNRB.

Steaguri Roșii la Punctele Radio

Steagul Roșu va fi afișat echipajelor numai la indicația Directorului de Concurs. Steagurile pot fi afișate numai la Punctele Radio marcate în Road Book și de către un arbitru care poartă o vestă distinctivă de culoarea specificată în Anexa H FIA, Art. 5.2.7, iar pe aceasta este marcat simbolul Punct Radio. Steagurile vor fi afișate la toate Punctele Radio care preced incidentul. Un Steag Roșu trebuie să fie disponibil pentru fiecare Punct Radio al raliului (amplasate la distanțe de aproximativ 2 km). Niciun alt steag în afara Steagului Roșu nu poate fi afișat în niciun punct al unei Probe Speciale.

Semnificația Steagului Roșu

La trecerea pe lângă un Steag Roșu afișat și / sau la primirea unui Steag Roșu electronic, oricare se întâmplă mai întâi, pilotul trebuie să reducă imediat viteza, să mențină această viteză redusă până la finalul Probei Speciale și să urmeze instrucțiunile arbitrilor sau ale conducerilor autospecialelor de intervenție. Nerespectarea acestei reguli va atrage după sine o penalizare la discreția Comisarilor Sportivi.

Retirement notice

This form is to be completed by the Competitor and handed to an Officer of the Rally without any delay.
Acumul de concurent trebuie completat de către concurent și înmânat unui Oficial al raliului fără alte întârzieri.

Road Book Preparation

Acest Road Book a fost pregătit în perioada **Septembrie - Octombrie 2023**.

This Road Book has been prepared during **September - October 2023**.

Masuratorile s-au făcut cu platforma dedicată www.rallynavigator.com, iar verificările s-au făcut cu aplicația **GPS Trip Meter**.

The measurements were made with the dedicated platform www.rallynavigator.com, and the checks were made with the **GPS Trip Meter** application.

Orice modificări vor fi descrise prin buletine informative. Organizatorul nu este responsabili pentru modificările neașteptate ale semnalizării rutiere.

Any changes will be described in information bulletins. Organizers are not responsible for unexpected changes in the road signalling.

Clasificarea oficială a drumurilor (DN, DJ, DC) este o informație importantă și este întotdeauna afișată în coloana „INFORMAȚII”.

Official road classification (DN, DJ, DC) is an important information and it is always show under the column "INFORMATION".

Official road classification are:

Clasificarea oficială a drumurilor este:

- A - Autostradă / Highway
- DN - Drum Național / National Road
- DJ - Drum Județean / Country Road
- DC - Drum Comunal / Communal Road

Acest Road Book a fost elaborat cu mare atenție de către organizator, dar cu toate acestea, orice sugestii pentru îmbunătățire sunt binevenite.

This Road Book has been carefully elaborated by the Organizer. However we would welcome any suggestions to improve it.

IMPORTANT! În Road Book au fost reproduse doar intersecțiile considerate utile, dar și alte informații relevante precum indicatoare rutiere, denumirea străzii și / sau a drumului, intrarea și ieșirea din localitate. Conform acestui standard, trebuie să circulați pe același drum sau aceeași stradă până când Road Book-ul indică o schimbare de drum sau de direcție.

IMPORTANT! In the Road Book, only intersections considered useful have been reproduced, but also other relevant information such as road signs, street and/or road name, entrance and exit of the town. According to this standard, you must drive on the same road or street until the Road Book indicates a change of road or direction.
